Please read carefully the procedures, Terms and Conditions before making your booking.

Small groups: up to 6 guests/guide

Spilia: In our first stop we will visit the "Saint John the Hermit" cave and you will enjoy the view from the nature belvedere.

Ano Vouves: Time for a cup of coffee or fresh orange juice! Visit the unique 3000-5000 years old olive tree which is still productive! Admire, touch it and take plenty of photos.

Anoskeli: Learn all about the production of olive oil, as we visit Anoskeli's olive mill. Taste the fresh olive oil spread on warm bread with oregano. Continue with a winery experience by trying 5 different labels of local wine, accompanied by Cretan snacks.

Mainland of west Crete: It is the right time to see what we offer more from our competitors. Driving on rough roads at the countryside will explore the mainland of the west part of Crete, where are olive trees, vineyards, many small villages and gorges.

Restaurant: Depending from the period of the year that you join the tour, we choose a different restaurant, trying if it is possible to avoid being so crowded, during your lunch time. Your delicious lunch will consist of traditional Cretan flavors with season salad, wine, beer and dessert.
