

Private Dinner at Sunset

Please read carefully the procedures, Terms and Conditions before making your booking.

We offer you a private tour to enjoy initially a dinner at sunset, and later a cocktail at an historical Jazz Bar

Based on our experience as travellers around the world, we have realised that we have spent unreasonable amounts of money on food and drinks. On top of that, we have wasted valuable time on choosing wrongly as regards our nightlife.

After careful consideration, we organise and offer you a private evening tour in the old town. The tour includes dinner at sunset in our favorite restaurant and the starting time depending from the sunset.

Trust a local travel designer and have a memorable evening in Chania with no risk. Your pick up and drop off included in price and easily you can enjoy your drinks. Taste local products and wine enjoying at the same time the sunset from the best spot in town. Everything is on reservation from our company and there is not a reason to be stressed for something. During the tour, we will guide you to the selected exclusive spots allowing space for personal time. The main objective for us is just to organize your tour and not join in, during it. Your privacy is always in priority for us.

We can arrange to pick you up from your hotel/villa/apartment or from a suitable meeting point in Town. This is by far not your typical historical tour, sign up now and be a part of discovering what Greece is all about on this intimate introduction to the people and lifestyle of Chania.
